The meeting was held at the Mondanock Regional High School and was opened at 7:30 PM by Stacey Cole, who introduced three Boy Scouts from Troup #311, Brian Naeck, Kelly Wood, Gary Guion, who presented the colors.

The committee to study the solid waste disposal problem presented their report which recommended a recycling program in Swanzy and use of the Keene landfill for refuse not recyclable for the period of one year.

This committee consisted of Whitcomb Wells, Jaakko Laakso, James Ferguson, Lorraine Page, William Smith, Robert Dodge, Jon Masso, and Bernard Tacy assisted by Richard Rourke, the Regional Planner.

Article I. calling for a sanitary land fill dump was indefinitely postponed.

Article II. dealing with a recycling program in Swanzy with all pollutant waste to go to the Keene landfill site failed to receive a 2/3 vote. Yes-85, No-65.

Article III. was combined with Article IV calling for recycling of all possible waste at a center to be built at the present dump site in Swanzy and an incinerator to burn all waste not recyclable and establishing an ordinance relating to the sorting of recyclable waste. This also failed to pass. 114 votes needed. Yes-108, No-61.

It was then voted to recess the voting on the dump articles until October 18 at which time copies of the Articles I-IV will be available for the voters.

Article VII. dealing with the sale of land in West Swanzy near the cemetery was indefinitely postponed.

Article VIII. authorizing the Selectmen to act as a "Cable Television System Franchising Authority" was passed on a voice vote.

Article IX. relative to the consumption or possession of liquor in any cemetery, park, common or public recreation area in Swanzy was not passed.

Article X. relative to abandoning that section of Swanzev Lake Road that lies north of the Cybatina Property known as the Platts Place from the Cybatina property line northerly to the junction of a new road to be built easterly of the above mentioned road, (said abandonment to take place only if the new road is built and accepted by the Selectmen) passed on a voice vote.

Results of the Voting at the
Recessed Special Town Meeting on
October 18, 1974

Article I. was again indefinitely postponed.

Article II. was passed on the second try. 126 needed. Yes-128, No-60. This article calls for the building of a recycling center at the present dump site in West Swanzev at a cost of \$70,000.00 and all pollutant waste to be disposed of at the City of Keene landfill. The sum of \$70,000.00 to come from the \$38,000.00 impounded at the March Town Meeting the remainder to be raised by the sale of bonds or notes.

Article III. failed to pass.

Article IV. was indefinitely postponed.

Article V. was passed over.

Article VI to authorize the Selectmen to appoint a committee of five to study with the City of Keene and any other town or towns who wish to join the feasibility of an area recycling center passed on a voice vote.

RESOLUTION A

The community recognizes that there are flood areas in the community; that federally subsidized flood insurance is available; that Town Meeting intends to evaluate land use in those areas; and that Town Meeting has the authority to enact appropriate land use control measures.

The Town Meeting resolves that assurances be given to the Federal Insurance Administration that the community will enact and enforce necessary land use control measures; that municipal officials and boards will be authorized to deal with the appropriate governmental agencies and private firms; and that elevations of buildings will be recorded when required.

WHEREAS, certain areas of (COMMUNITY) are subject to periodic flooding from (STREAMS, RIVERS, LAKES, OCEANS, ETC.), causing serious damages to properties within these areas and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use in the flood plain areas having special flood (and/or mudslide) hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to N.H. RSA Chapter 31, 36, 156, 156A.

NOW, THEREFORE, BE IT RESOLVED, that this Town Meeting hereby;

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board or Town Manager or other duly authorized Municipal Officer) with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map, and identify flood plain or mudslide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonable necessary to carry out the objectives of the program.

TOWN OF SWANZEY, NEW HAMPSHIRE

Ordinance Relating to Building Within the Special Flood Hazard Area --

Section 1 - Purpose and Intent

In the interest of public health, welfare, and safety, the town's voters hereby deem it necessary to regulate and

control the construction or substantial improvement of building within special flood hazard areas as allowed under State of New Hampshire law RSA 31:39.

Section 2 - Definitions

A. Flooding: A general and temporary condition of partial or complete inundation of normally dry land areas from the overflow of streams, rivers, or other inland waters.

B. Special Flood Hazard Area: The area designated by the Federal Insurance Administrator, which, on the average, is likely to be flooded once every 100 years (i.e., that has a one (1%) percent chance of being flooded each year). Said flood hazard area is shown on a map prepared by the Federal Insurance Administration and dated July 19, 1974. Said map is on file with the Selectmen and may be officially amended by the Federal Insurance Administration as they deem necessary.

C. Substantial Improvement: Substantial improvement means any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds fifty percent (50%) of the actual cash value of the structure either (a) before the improvement is started, or (b) if the structure has been damaged and is being restored, before the damage occurred. Substantial improvement is deemed to have started when the first alteration of any structural part of the building commences.

Section 3 - Permits

A. When Required: A permit shall be required when it is proposed to erect, place or substantially improve a building within the special flood hazard area.

B. Duty: The Board of Selectmen are hereby given power and authority to administer the provisions of this ordinance. The Selectmen may appoint an agent to administer (accept and issue permits and inspect) but not enforce this ordinance.

C. Application Requirements: Written application for a permit shall be filed with the Board of Selectmen or their agent. The application shall include a complete description of the location and nature of the proposed construction or substantial improvement, together with a detailed plan of the same drawn to scale showing the boundaries of the lot and location of the building on the lot. The location of proposed or existing water supply and sewage disposal facilities

shall be shown. When a new or replacement water supply or s sewage system is proposed, appropriate approval from the State of New Hampshire Water Supply and Pollution Control Commission shall be shown. In addition, the plan shall include the general contour of the individual lot and abutting land, proposed access to the lot and any other pertinent details.

D. Application Review: The Board of Selectmen or their agent shall review the application for new construction or substantial improvement to determine whether the proposed building site will be reasonably safe from flooding. If the proposed building site is in a location that has a flood hazard any proposed new construction or substantial improvement (including prefabricated and mobile homes) must:

1. Be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure.

2. Use construction materials and utility equipment that are resistant to flood damage.

3. Use construction methods and practices that will minimize flood damage.

E. Action: The granting or denial of the permit shall take place not later than 30 days from the date of filing the application unless the applicant and the Board of Selectmen or their agent shall jointly agree to a reasonable extension.

F. Permit Fees: A fee of two dollars (\$2.00) shall be charged for issuance of a permit.

G. Revocation of Permit: Any permit may be revoked by the Board of Selectmen at any time for just cause.

Section 4 - Existing Non-Conforming Uses

All buildings which are in existence at the time of passage of this ordinance may continue to exist in their present location without need for making application to the Board of Selectmen, however, a permit must be obtained if such buildings are to be substantially improved, as required by Section 3 above.

Section 5 - Board of Appeals

A. Creation: A Board of Appeals is hereby created and its members shall be appointed by the Selectmen in accordance with, and shall have the same terms and powers hereby conferred upon a Board of Adjustment by the provisions of Chapter 31, N.H. Revised Statutes Annotated, 1955, and as may be amended. Since the town already has a Board of Adjustment created by a local zoning ordinance, said flood hazard area is shown on a map prepared by the Federal Insurance Administration and dated July 19, 1974. Said map is on file with the Selectmen and may be officially amended by the Federal Insurance Administration as they deem necessary.

B. Adoption of Rules: The Board of Appeal shall adopt rules to govern its proceedings in accordance with the provisions of this ordinance, and the provisions of Chapter 31, N.H. Revised Statutes Annotated, 1955, and as may be amended.

C. Interpretation: The Board of Appeal may hear and decide a case where it is alleged there is error in any order, requirement, decision, or determination made by the Selectmen or their agent in the enforcement of this ordinance.

D. Appeals: Appeals to the Board of Appeal may be taken by any person aggrieved or by any officer, department, board, or bureau of the municipality affected by any decision within a reasonable time, as provided by the rules of the Board, by filing with the officer from whom the appeal is taken and with the Board a notice of appeal specifying the grounds thereof. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or attorney.

Section 6 - Penalty

Any person found guilty of violating any provisions of this ordinance shall be fined not more than \$100 per day for each day such violation shall continue after written notice is given to the person by the Board of Selectmen.

Section 7 - Saving Clause

If any article, section, sub-section, sentence, clause or phrase of these regulations is for any reason held to be unconstitutional or invalid, such decision shall not affect the remaining portions of these regulations.

Section 8 - Effective Date

This ordinance shall take effect immediately upon its adoption.

Resolution B-1

The community recognizes that regulations governing building construction in flood hazard areas have been enacted and are enforced.

The Town Meeting recommends that the Planning Board require all proposals for their approval that are in flood hazard areas be designed to minimize or eliminate flood damage and that the Planning Board require new or replacement water supply/sewage disposal systems be designed to eliminate or minimize flood damage.

WHEREAS, THE (Town of Swanzey) has adopted and is enforcing (CITE BUILDING CODE, ZONING ORDINANCE, SUB - DIVISION REGULATIONS), and

WHEREAS, Section(s) 1 through 8 of the aforesaid prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building permit for each building or structure from the Building Inspector, and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW, THEREFORE, BE IT ENACTED by the TOWN MEETING of THE TOWN OF SWANZEY as follows:

1. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard areas to assure that (i) all proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards: and
2. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to re-

quire new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N.H. RSA 36:21.

MOUNT CAESAR UNION LIBRARY

To provide more convenient and better service for the townspeople, the number of hours the library is open weekly was increased from 13.5 to 19.5 beginning May 1, 1974. The afternoon hours are Monday through Thursday from 1:30 to 4:30, and the evening hours are Monday, Tuesday and Thursday from 6:30 to 9:00.

For the second year, a special story hour called "Adventure Time", was held each Wednesday after school for the children in grades one through three. An attempt is made in this program not only to introduce the children to the fun of stories, but also music, drama and poetry.

During the summer, the usual Vacation Readers' Program was held, starting when school is out in June and continuing to September. The theme this year was "Traveling in New Hampshire". A large map of New Hampshire made the children familiar with many towns and places; for each book read a new place could be "visited". At the closing program, Elizabeth Yates McGreal spoke on one of her recent books, "The Road Through Sandwich Notch".

Mrs. Eleanor Collins and the librarian attended several library workshops and meetings during the year. Mrs. Collins completed the Library Techniques Course on "The Introduction to the Public Library" offered by the State Library. The librarian completed the Course on "Library Administration".

Circulation for the year consisted of 13,791 books, 689 magazines and 139 records. Additional materials were also borrowed from the State Library in Concord, Keene Public Library and other libraries in the state. Books are also borrowed from the Bookmobile on its visits to the library. Books are taken to the Carpenter Home and other shut-ins.

The number of new family and individual registrations totaled 64 for the year. They come from all areas of Swanzey and include all ages.

Respectfully submitted,

Mrs. John Palm,
Librarian

STRATTON FREE LIBRARY West Swanzey, N.H.

Volunteers are still holding story hours in the library for children on Wednesday afternoons after school from 3:30 to 4:00 PM. These programs are held primarily for kindergartners through fourth grade or 5-9 year olds.

A large number of books have been ordered and received from the State Library and other libraries for patrons through our interlibrary loan service.

We have purchased many new books during the current year for both children and adults.

The library is now open earlier on Tuesdays and Fridays. We decided to do this to accomodate the students at the Community Christian School which is now being housed in Whitcomb Hall.

Cassettes, Filmstrips, Books and Filmstrip Projector have been lent through our "Outreach Program", to the Peter Pan Kindergarten and to the Community Christain School for their classroom activities.

Approximately 78 new cards have been issued to new patrons during the year 1974.

Library hours are:

Tuesdays: 2:00 to 4:30 P.M.

Tuesday Evenings: 6:30 to 8:30 P.M.

Wednesday (story hours): 3:30 to 4:00 P.M.

Fridays: 2:00 to 4:30 P.M.

SWANZEY VISITING NURSE ASSOCIATION

Each year more patients in Swanzey are receiving nursing service. Mrs. Priscilla Gloeckler, the Visiting Nurse, made 1,460 calls in 1974. This is an increase of 257 over 1973. Winchester VNA is now seeking a part-time nurse to help meet the increasing needs.

Five Immunization Clinics were held in Swanzey in 1974. 28 children were immunized against serious diseases. Several patients have used the physical therapist and the Home Maker Home Health Aid Service.

The Board is exploring possibilities of a Well-Child Clinic, a Dental Clinic and other services.

Two members of the Swanzey Board meet monthly with the Winchester Board. It is here that we work out our problems and take steps toward developing better service. A revised contract signed in January 1974 is working satisfactorily. A Committee was appointed in Swanzey in 1974 to investigate the possibility and feasibility of managing our own Agency. This was a good experience. It lead us to believe, with more confidence, that we should, at this point, continue in our relationship with the Winchester Agency.

The Membership/Education Drive is held each year to reach out to more people with information about the service and to accept donations. The Membership/Social Service Fund is now \$453.53.

Dr. Gilbert L. Fuld, pediatrician, met with our Board in June. The meeting was in Whitcomb Hall, West Swanzey and a good number of young parents were present to participate in a discussion of growth and development in babies and small children. It was probably the most valuable meeting of the year in terms of educational growth.

The Everest Jennings electric chair owned by the Assoc. needed some repair service this year. The responsibility was assumed by the manufacturer.

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen and Voters of Swanzev, I herewith submit my report from January 1, 1974 to December 31, 1974.

Activities of the police officers often leads them in directions other than just enforcing our laws. A police officer is also concerned with being of service to the public and lending assistance where needed. This year as in the past several years our Department has seen it their project to support the Jimmy Fund - Cancer Research Foundation for Children. A door to door campaign was conducted. We wish to thank each and every member of our community for the support given and a special thanks to the Fire Department for the assistance of their members.

Following is a summary of the departments activities for the year:

SWANZEY CONSERVATION COMMISSION

Last April the glass crusher made at Monadnock Regional High School was put in operation at the dump.

All during the Spring and Summer a handfull of young people helped members of the Conservation Commission crush glass in preparation for shipment to Dayville, Connecticut for sale.

In the Fall, the glass crusher was demonstrated at the "Recycle Fair" at Keene State College. The R.O.C.K. group of Keene State College rented the crusher to crush their glass.

One of our committee was assigned to the Swanzey Dump Committee. We offered suggestions about the recycling process to the Dump Committee

Since the idea of recycling has been accepted by the Town, we are formulating an educational program to help people in the community to get the most out of recycling with the least amount of effort.

The Paper Shack at Wilber's has been running smoothly. Paper recycled from Monadnock Regional High School has passed the five ton mark. It is processed by a small group of Swanzey Students and delivered to the Paper Shack each week.

Work is continuing on such projects as:

- Bicycle Paths
- Land Use
- Open Space Acquisition
- Beautifications
- Community Conservation Education
- Roadside Cleanup

Last May a Roadside Cleanup was held. We certainly hope more people will turn out for the next one.

Your Commissioners have attended various hearings and programs offered at the State and Local levels.

We look forward to working with the Planning Board and other boards and commissions in Swanzey to help resolve mutual problems that may arise during the coming year.

Our goals are to help the community plan for wise use of land, preserve natural areas still available for generations to come, and make our area a good place to live and work.

Respectfully submitted,

REPORT OF THE SWANZEY RESCUE SQUAD

The SwanzeY Rescue Squad responded to forty (40) emergency calls in 1974. Also, the Rescue Squad responded to thirty-three (33) structure fires in SwanzeY.

The emergency calls by category:

Automobile accidents	14
Medical emergency (non-automobile)	25
Search	1

Included in the above are three (3) Mutual Aid responses to other towns. The Rescue Squad provided emergency transfers to the hospital for 27 patients.

The SwanzeY Rescue Squad participated in the vehicle extrication training courses at the spring and fall Meadowood Fire Schools. Provided training assistance for two emergency Medical Technician Courses (E.M.T.). In addition to the training demonstrations were conducted for the Richmond and Fitzwilliam Fire Departments and the Monadnock Area Girl Scouts.
